

NPS Joint School Council Meeting Minutes
9/13/18

- I. What's new in each school
 - A. NES, NIS, CPS, NHS shared out.
 - B. Parent recommendation: put advertisement for subs in other places like "work Nantucket" Facebook page.
 - C. All emails changing to @npsk.org for all staff

- II. Open Houses - Week of Sept. 24th - 6:00 to 8:00 PM
 - A. Come learn about curriculum, classroom expectations, and ways you can help out

- III. Other Evenings
 - A. NES shared math night coming up

- IV. What are each school's goals?
 - A. NHS - focus on accreditation - extensive process including surveys to parents and students. Suggestion made to share survey results with survey participants. Also shared out about new library/media center renovation.
 - B. NES - energy into Eureka Math for all of second grade, Reading Workshop across school - includes common planning times for staff by grade level, Foundations - systematic phonics instruction - implemented at all grade levels, and Instructional Leadership Teams - supporting ELA standards across school.
 - C. NIS - several areas of focus including ELA initiatives (Reading Workshop, Words-Their-Way word study, ILT work), year two for Eureka math across school, and continued focus on social emotional learning.
 - D. CPS - alignment of standards across content areas to enrich or support students through a changed schedule allowing grade level and department common planning time, Social/emotional needs of students - focus on equity - what does each child need to be ready to learn?

- V. MCAS scores
 - A. Receipt of MCAS scores delayed at the state level. Hoping for public presentations of scores in October.
 - B. School Improvement Plans: Due to delay in scores and thus delay in district goals, the school improvement plans will be developed by November.

Adjourned joint meeting: 4:47 PM
